Re: Notice of Police Complaint

Dear Mr. Wilson,

Please be advised that I am attorney for Nicole Stern and Michael Barile. On the evening of March 13, 2019, an altercation transpired at the Carmel Town Hall that involved several uniformed police officers – an altercation that unnecessarily climaxed after repeated unwanted advances and provocation by you against my clients. Please see attached for a copy of the police report for harassment, which was filed and printed on March 14, 2019.

This letter shall serve as notice that I will be forced to take further legal action against you and your employer, The Journal News, for the continued harassment of my clients should you enter onto any of the properties owned by my clients, intimidate, stalk, pursue, conduct surveillance, take unwanted pictures, threaten or attempt to contact my clients in person or via telephone, electronic messaging or through social media. Although you are aware of the properties owned by my clients, as evidenced by your incessant contact of my client's tenants and taking pictures of every property, for your convenience they are also listed on the police report.

Thank you in advance for your attention to this matter. Please be guided accordingly.

Very truly yours,

EMILY A. BARILE, P.C.
